

## Living Divani at the "Cinematografo Terrace by Atlas Concorde"

On the occasion of the **80th Venice International Film Festival**, from August 30th to September 9th **Living Divani** sets up as technical sponsor, part of the Terrace of the famous Hotel Excelsior, transformed into the Cinematografo Terrace by the project of Atlas Concorde.

An exclusive meeting place, overlooking the sea, with a charming and charismatic atmosphere, for lovers of art, design and entertainment.

The soft and welcoming upholstery of the **Filo Outdoor** armchairs and the **Bubble Rock** sofas with soft and rounded shapes define the first area, entirely designed by *Piero Lissoni*.

Two **Flow** rocking chairs designed by *Shibuleru* are combined with the **Extrasoft** modular composition and the **Hi Tech** armchairs by *Piero Lissoni*, offering a well-being oasis.

To complete the environment, a combination of chairs by the architect *Lissoni* illustrates the wide collection of **Living Divani**: from **Tombolo** chairs to **Cafè**, both also available in "mini" sizes, up to the **Maja D** armchair, able to offer a concrete response to the increasingly specific needs of daily life.

**Living Divani** takes part in this precious partnership, merging the excellence and uniqueness of Italian design with the unmissable **International Film Festival**.
